

## Online Learning Platforms

### KS3 Online Learning

In Year 7 and 8, pupils currently use **MyMaths** to support learning in the classroom. All pupils have access to this package and teachers set and check work regularly in line with the scheme of learning as part of classwork and homework.

As of April 2020, Year 9 pupils use **Hegarty Maths** to support learning in the classroom. All pupils have access to this package and teachers set and check work regularly in line with the scheme of learning as part of classwork and homework.

From September 2020 Year 7 and 8 will use Hegarty Maths as part of our online learning offering to support learning in the classroom.

Both platforms form part of whole school review weeks, designed to aid memory and retrieval of previous knowledge.

School login: norlington

School PW: divide

[www.hegartymaths.com](http://www.hegartymaths.com)

Pupils set own logins upon guidance from HOD

### KS4 Online Learning

As of March 2020, Year 10 and 11 pupils use **Hegarty Maths** to support learning in the classroom. All pupils have access to this package and teachers set and check work regularly in line with the scheme of learning as part of classwork and homework.

Hegarty Maths forms part of whole school review weeks, designed to aid memory and retrieval of previous knowledge.

### KS5 Online Learning

**Google Classroom** is used in Year 12 and 13 by all pupils to support learning in the classroom. Teachers are able to share resources and set assignments which can be uploaded by pupils and marked.

This platform develops pupils independent learning skills and prepares them for using VLEs during further education.

Classes are set up by Mrs Emerson, our KS5 Co-ordinator.
