<b>Procedure</b>	<b>3</b>
<b>Opportunities for access</b>	<b>3</b>

## **1. Introduction**

This policy statements sets Norlington School and 6<sup>th</sup> Form's arrangements for managing the access of providers to pupils for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

## **2. Student entitlement**

All pupils in Years 7-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training opportunities available at each transition point;
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and groups discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

## **3. Management of provider access requests**

### **Procedure**

A provider wishing to request access should contact the Careers Leader – Aysel Esen.

Telephone: 020 8539 3055; Email: [aesen@norlington.school](mailto:aesen@norlington.school)

### **Opportunities for access**

A number of events integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and /or their parents about their Careers and pathways:

The entitlement outlined in the careers year group overview is the minimum and through curriculum areas and additional voluntary events students will have much greater exposure to outside, independent, and impartial providers as well as businesses and employers run by each department.

Please speak to our named Careers Leader to identify the most suitable opportunity for you.

The school policy on safeguarding sets out the school's approach to allowing providers into school as visitors to talk to our students.

### **Premises and facilities**

The school will make the main, hall, sports hall, classrooms, ICT suites, or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the school Reception. The Careers Leader will ensure that students have access to these materials at suitable times.
